The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1, 4, 20, 21 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. Urine is naturally occurring, not an invention.

Claims 15-19 are allowed.

Applicant's arguments filed on 12/31/03 have been fully considered but they are not persuasive. Applicant's arguments are to the effect that the obtaining of the urine is done by critical procedures, resulting in a product not in nature. However, the claim is to a product, not a product produced by the critical process steps, thus, no different than what occurs in nature.
